## Teacher's notes

### Task 5.

1)

Hi, Tony! What are you doing **on the weekend?**

Nothing - I have the weekend off.

Do you want to go to the cinema with us?

We are going **on Saturday.**

Sure! At what time does the film start?

It starts **at half past seven in the evening.**

Great, see you **on Saturday!**

2)

What did you do **last week, Aisha?**

I had a busy week! I had a doctor's appointment **on Monday. On Tuesday, I went to college in the morning, and I worked in the evening. On Thursday, I went to the library at 3 o'clock. Then, I went to a concert at night.**

Wow, what a busy week!

Yes, but **this week, I am taking a break!**
