Task 5. Listening script.

Last weekend, *I* went to visit *my* friends in Dover. *They* live in a beautiful house. *Their* house is more beautiful than *mine*. *Its* windows are very big and the garden is sunny.

My friends' names are Marsha and Hamid. *They* are from Egypt. *He* is a builder and *she* is a cook. Hamid loves *his* job but Marsha does not like *hers*. *Her* dream job is police officer.

On Saturday, *we* met *our* friends, Tony and Clara. *They* live in Canterbury. *Their* dog is small and light brown. *Its* name is Donut and *its* favourite food is chips. *We* all went walking on the White Cliffs of Dover.

In the evening, Hamid cooked *his* favourite dish: beef with apples and rice. *It* was terrible. Hamid ate *his* food but Marsha and *I* did not finish *ours*. *He* is not a good cook!

On Sunday, *we* went to the beach and had ice cream. Marsha had strawberry, Hamid had coconut, and *mine* was chocolate flavour. *It* was delicious.

After the beach, *I* took the train home. *We* all had a great weekend!
