Task 3. Listening script.

Hi, I'm Clara. I am a student and I work at a shop. This is my schedule.

I go to college *from* Monday *to* Friday. My lessons usually start *at* 8:45 AM and finish *at* 5 PM. *In* the mornings, I usually have English and Maths lessons. *In* the afternoons, I have History and Science. There is a 1 hour break *at* 12 PM.

On Mondays, Wednesdays, and Fridays I usually go to the gym. I like to go *before* college because I'm usually busy *in* the evenings. I get up *at* 6 AM and I'm at the gym *from* 6:30 AM *to* 7:30 AM. *After* the gym, I go home to shower and eat breakfast.

In the evenings, I usually study or work. My friends and I go to the library *on* Mondays and Wednesdays *after* college. We usually study *from* 6 PM *to* 9 PM. *On* Tuesdays and Thursdays, I work at a shop *from* 5:30 PM *to* 9:30 PM. I am always very tired *in* the evenings, so I go to bed *before* 10:30 PM.

On the weekends, I always relax a lot. I always get up *after* 10 AM. *In* the evenings, I like to go shopping with my friends or watch films. Sometimes, I cook a big dinner *on* Sunday afternoons but usually I just read a book. It is important to relax *before* another busy week!

Task 6.

In pairs or small groups, students make their way around the board. According to the square they are on, students provide the correct preposition (or no preposition) or create a sentence using the provided preposition.

If there is no die available, the number cards on page 3 can be used. Each pair/group is provided with numbers 1 to 6 face down to draw one randomly each turn.

The first player to reach the finish wins.
