Task 4. Listening script.

Hi, *my* name is Aisha. *My* friend Tony and *I* cooked *ourselves* a delicious dinner last night. *Our* friends, Marcel and Clara, invited *themselves* to *our* dinner. *They* are fun, so *we* did not mind.

Tony and *I* don't usually cook for other people. *I* cook for *myself* and *he* cooks for *himself*. *My* favourite dishes are different from Tony's. *I* like salads and sandwiches but *he* likes soups and stews.

Marcel and Clara rarely cook for *themselves*. *They* like to order food from restaurants because *they* are not good at cooking. The last time Marcel cooked, *he* cut *himself* and had to go to the hospital.

After dinner, *we* bought *ourselves* a cake. *I* rarely eat cake, but *I* wanted to treat *myself*. Clara loves cake, so *she* helped *herself* to two slices. Marcel and Tony were hungry, so *they* had the rest.

I really enjoyed *our* evening! In the future, *I* will cook for *my* friends more often.
