

# Computers (A1)

## Teacher's notes

We have more advanced resources on the “Computers” subject (“Using a computer” (A2) and “Using the Internet” (B1)), which can be found at <https://research.kent.ac.uk/theenglishhubforrefugees/resources/>.

### Task 6. Listening script.

1. I type with the *keyboard*.
2. I turn my computer on with the *On/Off button*.
3. I take pictures with the *camera*.
4. I move the cursor with the *mouse*.
5. I work on a *computer*.
6. I call my friends with my *phone*.
7. I use a *laptop* at school.
8. I see my pictures on the *screen*.
9. I *click* with the mouse.
10. I use the mouse to move the *cursor*.

### Additional activities.

For typing practice, there are fun games available on [www.typing.com/student/games](http://www.typing.com/student/games) and other sites.

Students can also be directed to <https://www.bbc.co.uk/learningenglish>, which has lots of resources and links to Facebook groups in several languages.
