

Using a computer (A2)

Teacher's notes

If students need a review on computers, please see our A1 resource "Computers" at <https://research.kent.ac.uk/theenglishhubforrefugees/resources/>.

Additional activities.

For typing practice, there are fun games available on www.typing.com/student/games and other sites.

Students can also be directed to <https://www.bbc.co.uk/learningenglish>, which has lots of resources and links to Facebook groups in several languages.
